# Smart Farming Fresh Living

BRINGING FRESHNESS CLOSER TO EVERYONE

# Problem Statement

FOOD INSECURITY LIMITS ACCESS TO FRESH, PERISHABLE FOODS.

Theme#3

**Make sustainable practices more accessible and inclusive**

# Impacts of Limited Fresh Food Access

**1/3**  
meet the dietary  
recommendation.

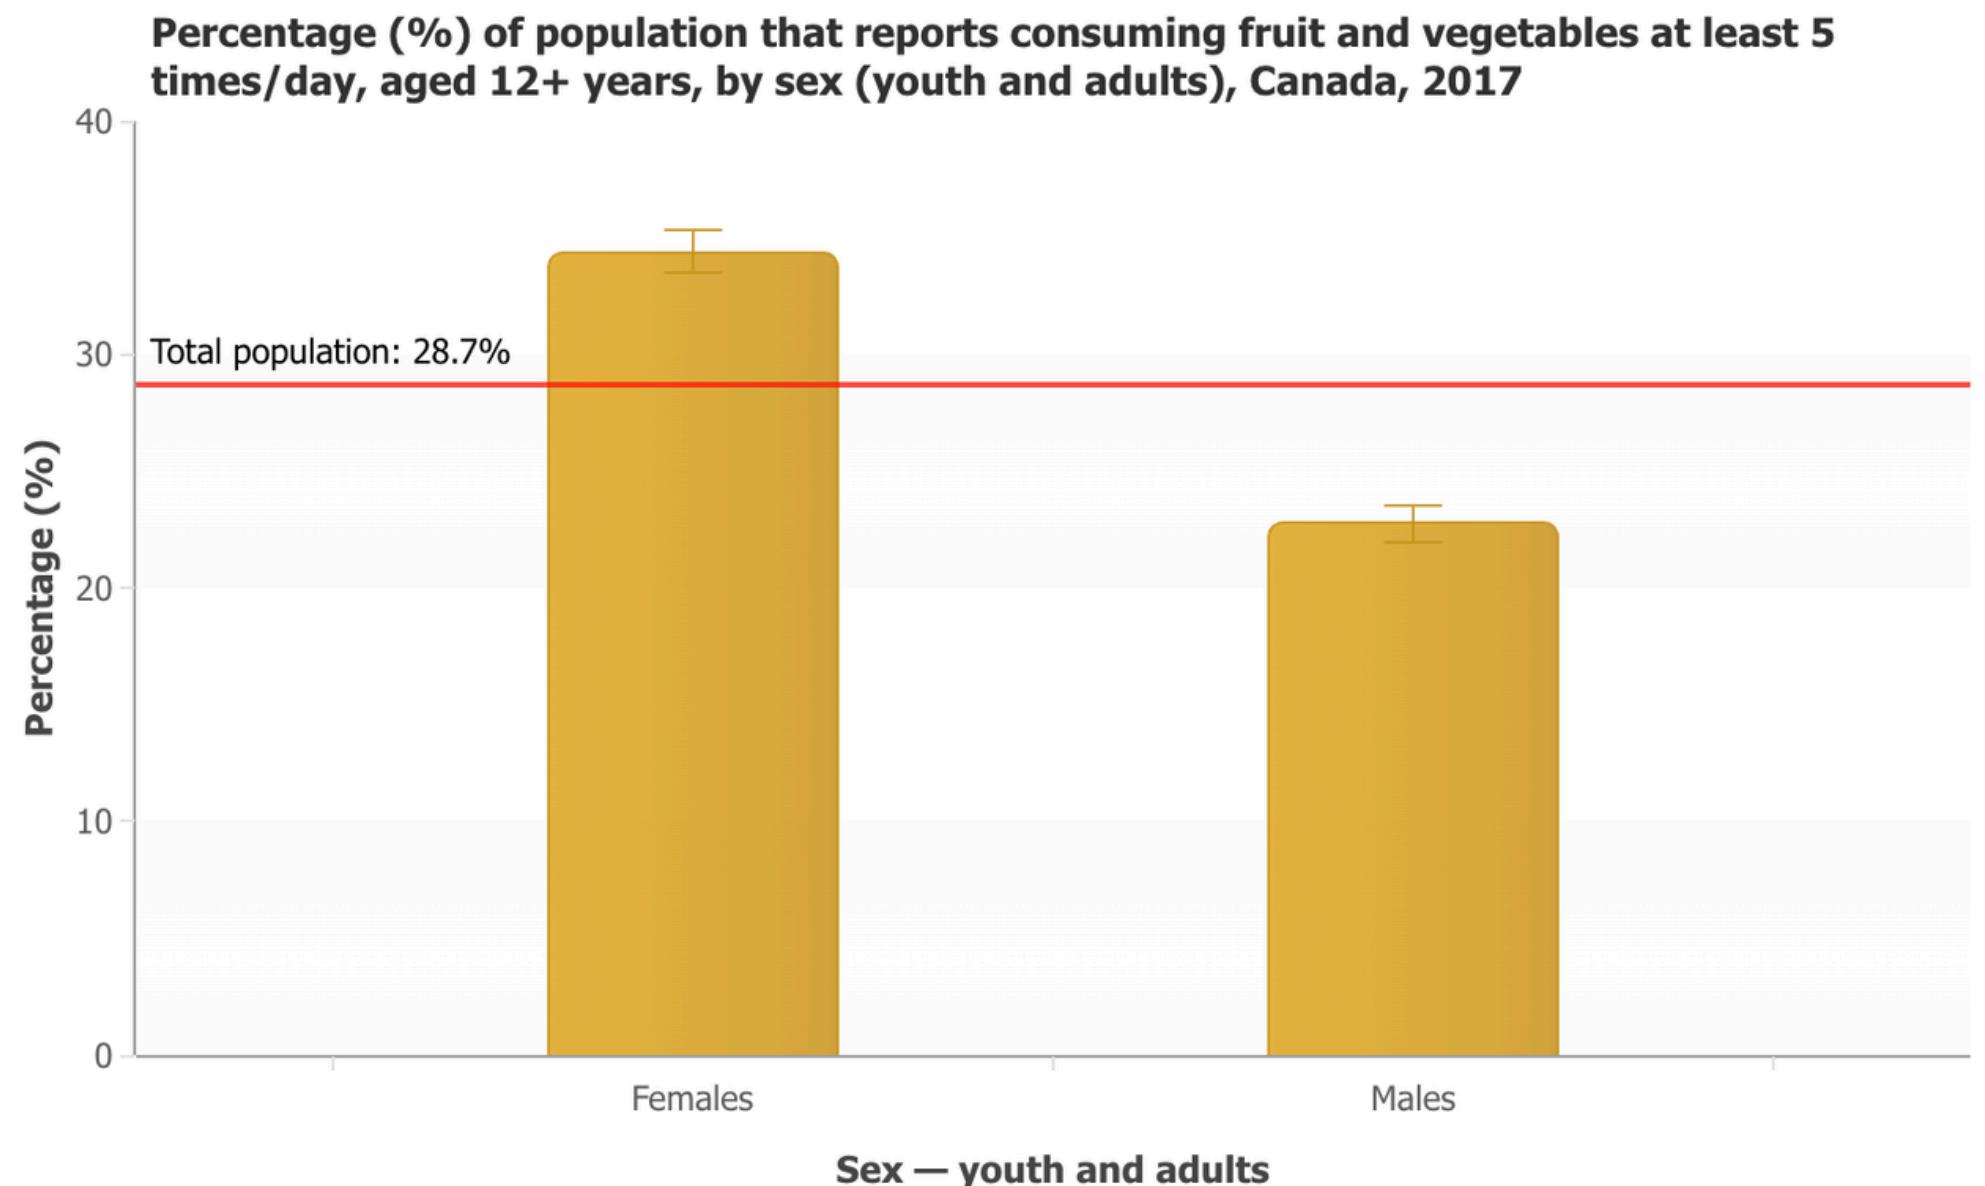

Source: Statistics Canada, 2019

**46.5%**  
wasted annually

Data: Second Harvest (2024)

**9.8 million**  
tonnes of CO<sub>2</sub> by  
Households

NZWC (2022)

Source: Statistics Canada, 2019

# Our Solution

Bridge the gap between local farms and households

Farm

Food Wast & Limited Market Access
